

2021 Model Home Building Contest

VIDEO SUBMISSION GUIDELINES

Once you've completed your video, please follow these steps to upload it to Bennington County Habitat for Humanity's Dropbox account. (Dropbox is a program designed for files that are too large to email, such as videos). We've created a Dropbox account specifically for this contest so that students will not need to set up new accounts.

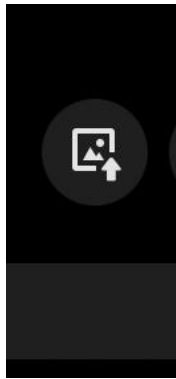

First, download the Dropbox app on your smartphone.

Once you've downloaded the app, sign in using the following info:

User Name: bchfh2021@gmail.com

Password: modelhome21

This will bring you to the Home page. Next, click on this icon in the upper right hand corner:

This will allow you to choose the video from your Library. Once you've selected your video, click Next in the upper right hand corner.

Next, click the 'Model Home Contest' folder, and click Upload in the upper right hand corner. It will then upload your video, which is the last step in the process.

Exit the Dropbox app.

If you have any questions, do not hesitate to contact us at bchabitatoffice@gmail.com

Thank you for participating in our Model Home Building Contest!
